- Bubblers to fill water bottles are available at the Main Station, Billabong, throughout the Monsoon Forest, and at the Aquarium.
- Encourage students to use toilets when available.
- Trains run half-hourly from the Main Station (grey lines on the map are roads, yellow lines are walking tracks).
- Ensure students keep any rubbish with them or put it in an available bin.
- Read the Guided Thinking Q's with students before entering an exhibit, to ensure the learning intention is clear.

Wallaby Muster

What would the wallabies and wallaroos eat if we weren't here to feed them?

Nocturnal House

Most of Australia's wildlife is nocturnal! Why?

Monsoon Forest

How many places can you see that a creature might live? Can you find a nest, web, or even a hollow, not in an exhibit?

Aquarium

The Aquarium starts with freshwater creatures and finishes in saltwater. What differences can you see in their

Dingos

What do we do in a big storm and what do you think the dingos might do?

TWP Playground

Do you think this reptile was real? It was! What do you think it ate?

GUIDED THINKING Q's
