**Our Mission**  
To connect visitors with nature through authentic encounters & exciting experiences;  
To inspire change & long term action by developing environmental awareness; and  
To play a central role in facilitating & advocating conservation research programs in Northern Australia.

**Consumer image policy & guest awareness.**  
Thank you for visiting our Park. During your visit you may be filmed or photographed by TWP staff or contracted service professionals. Your admission to our facility serves as permission for use of your images by TWP.

All visitors voluntarily assume all risk & danger for personal injury or property damage incidental to visiting TWP.
